"We only pass this way once . . ."

The time has come for us to go.
In peace we bid you good-bye.
The many sunny days we have lived here
will long be remembered by us. We will
think of you, as you think of us.
Should you come to see us, we will divide
our love among you,
and you will be most welcomed,
for we have learned to think not only
with our heads,
but with our hearts as well.
And so we leave:
We only pass this way once.

To Heidi,
I remember when you used to be Miss Super Sweet-
Now you are grown up and you are Ms. Super Sweet.

Hi! To a great Person

WE

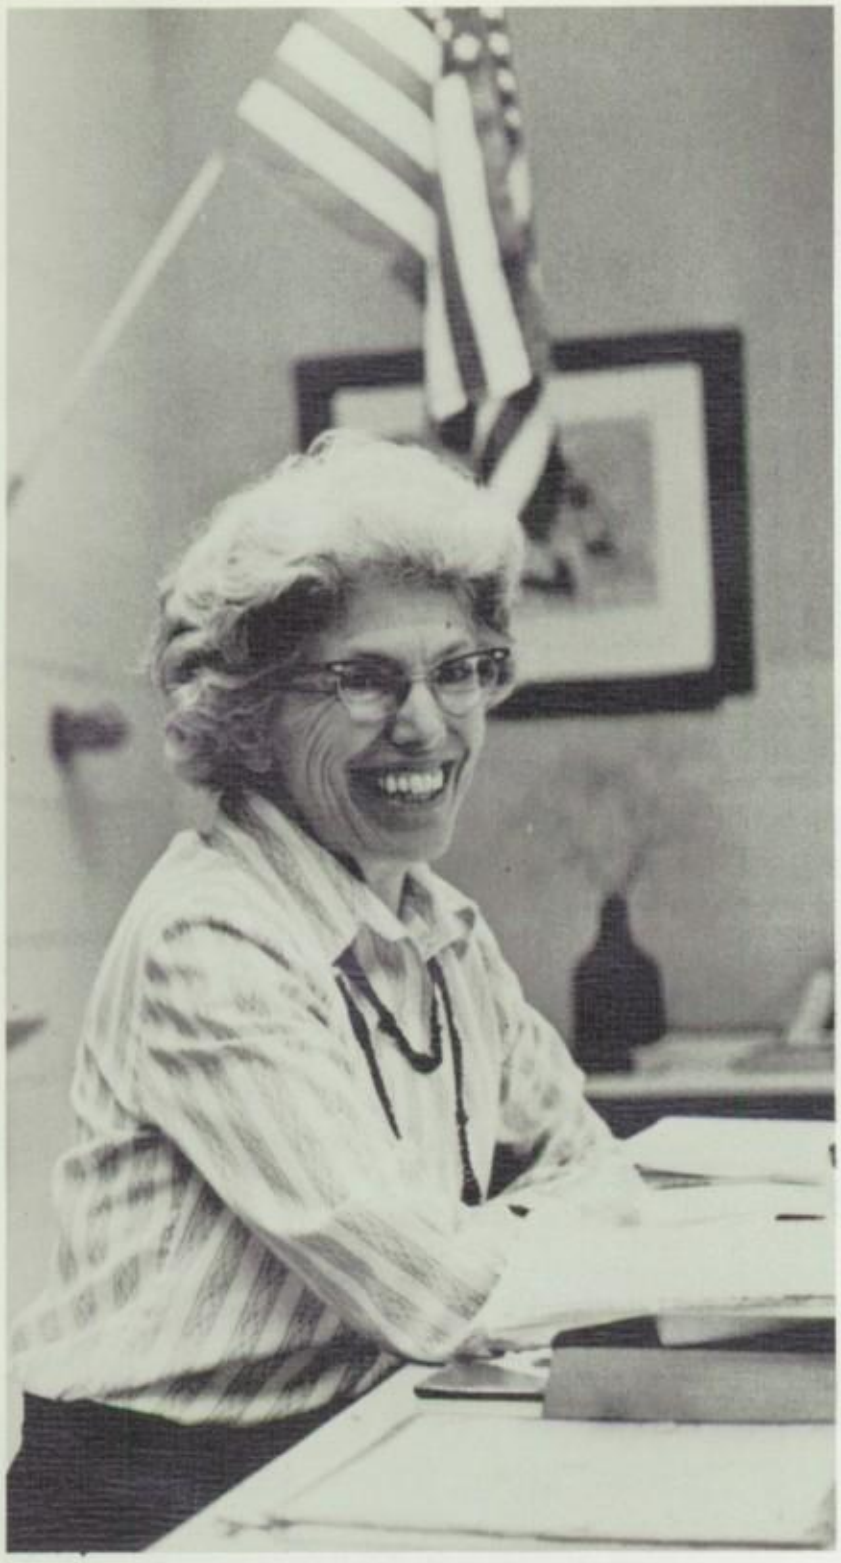
MRS. DORIS TOBIASSEN

The Class of 1975 dedicates this issue of "Eyrie" to Mrs. Doris Tobiassen, a teacher whose nineteen years of service in Tolland schools have earned her the respect and appreciation of several generations of young people. Countless English classes and the National Honor Society have all felt the touch of her devoted hand. To the many rewards and satisfactions she has received in the past, we would like to add, "Thank you, Mrs. Tobiassen, for a job well done."

The words of Henry Van Dyke depict for all of us the portrait of a teacher that Mrs. Tobiassen leaves with us.

"This is my work; my blessing, not my doom;
Of all who live, I am the one by whom
This work can best be done in the right way."

Henry Van Dyke



DEDICATE . . .

How do I love thee? Let me count the ways.
I love thee to the depth and breadth and height
My soul can reach, when feeling out of sight
For the ends of Being and ideal Grace.
I love thee to the level of everyday's
Most quiet need, by sun and candle-light.
I love thee freely, as men strive for Right;
I love thee purely, as they turn from Praise.
I love thee with the passion put to use
In my old griefs, and with my childhood's faith.
I love thee with a love I seemed to lose
With my lost saints, — I love thee with the breath,
Smiles, tears, of all my life! — and, if God choose,
I shall but love thee better after death.

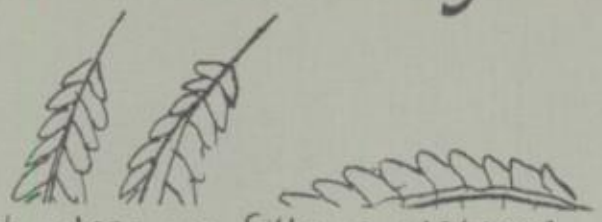
Class History



"Not unless we fill our existence with an aim do we make it life."

The national elections for presidency resulted in a landslide victory for Richard Nixon over his major contender Democrat George McGovern. McGovern's loss was one of the worst defeats in history.

Students made a trip to England, the second foreign trip to be made at Tolland High. The takeoff was hours late but a fantastic time was remembered by all who went.

71-72

Vietnam Prisoners of war became a main subject of discussion. Students throughout the school wore Missing In Action (MIA) or Prisoner of War (POW) bracelets. It became a fad with a worthwhile cause.

Education seemed to take a more violent nature this year. College campus riots were prevalent. Students protested the war in both peaceful and violent ways.

72 73

While troops in Vietnam were withdrawn in an end to the United States involvement in fighting in South East Asia, many American families carried the memories of sons and husbands killed in the war. Even more tragic was the fact that many boys were missing in action and could not be accounted for.

Richard Nixon was reelected to a second term of office. With him came Spiro Agnew, who later made the news.

The Oakland A's won the World Series for the first time.

Lines formed at side local theaters as Marlon Brando starred in the movie "The Godfather." Brando and the Maria became an integral part of everyday conversation.

Students visited Spain, taking off from Bradley Airport for a ten days sojurn. "Si, Si" it was a great deal of fun.

The Biology class at Tolland High made school history with its eighty students. Slightly overcrowded, the class will never be forgotten.

The Summer Olympics in Munich, Germany, honored Mark Spitz, a superior swimmer with seven gold medals.

The famous chess game between Bobby Fischer and Boris Spassky held the interest of all the world. Naturally Bobby Fischer won the game.

Fashion this year was dedicated to the saddle shoe. Reminiscent of the 50's, hundreds of feet could be seen wearing the popular "black and whites."

Many students and teachers alike attended and throughly enjoyed the performance of "Godspell" in Boston.

The 18year-old became an "adult" in the eyes of the world. The majority age was lowered and they received the right to vote and purchase liquor.

Two very important men of our country died, saddening the hearts of many. They were Harry Truman and Lyndon B. Johnson, former United States presidents.

73

74

The watergate coverup headlined the news this year appalling the American people. The confidence in the American government, for both youth and adult, was seriously shaken. Spiro Agnew was forced to resign, sparking the eventual procession of three vice presidents in a year's time

The shortage of beef and other foods inspired meat boycotts at home and in school. "Meatless meals" became a common phrase. On top of the meat shortage, we were presented with the problem of the shortage of oil and gas. Carpools became necessary to help in the energy crisis.

Jim Croce's tragic death in an airplane crash ended the career of a great singer and writer.

One of the most enduring school memories of this year was the series of principal changes that took place. Mr. Richard Olsen left to be followed by Mr. Arthur Hetherington Mr. George Perry and finally by our present principal Mr. Roy Nierendorf.

Henry Kissenger became a world famous name. As President Nixon's advisor he traveled to all the troubled continents paving a road of peace.

Families in Tolland were barely recovered from the tornado this year when the worst ice storm in years gripped them. Never to be forgotten by many are the weeks of no heat and no electricity. The lucky ones who went unharmed came to the aid of others.

President Nixon resigned from office leaving behind him doubt and suspicion. The Watergate tapes and the scandal to follow shocked the entire nation. Gerald Ford became president and gave Full pardon to Nixon for his crimes.

Sports highlight of the year at school was the success of Tolland's Cross Country Team. Winners of the state meet and the NCCC meet, they became a First at Tolland High School.

Gasoline prices soared to a new high as lines formed at gas stations throughout the town. Trips were curtailed as the energy crisis reached a new high.

74 75

The economy of the country became seriasly endangered and the word "recession" was heard as thousands of workers became unemployed. The cost of living reached a new time high and jobs became impossible to find.

Success was never sweeter than our First victory over Ellington High Schools' basketball team. We will never Forget that score of 58-50 or the ecstatic crowd.

As seniors, we saw the inauguration of Connecticut's first woman gavenor, Ella Grasso.

"The heritage of the past is the seed that brings Forth the harvest of the future."

Tolland High School had its First Vice-Principal since the school began with the coming of Eleanore Gowen.

There are places I'll remember
All my life though some have changed.
Some forever not for better,
Some have gone and some remain.
All these places had their moments,
With lovers and friends
I can still recall.
Some are dead and some are living,
In my life I've loved them all.
Lennon — McCartney

IN MEMORY OF BRAD

Heidi,
you're a really
sweet person don't
change okay. Hope
we stay friends for
a long time to come.
Have a good summer
and hope we see ya
now you're a big
